

We aim to achieve delivery of product consistently meeting customer requirements. We are committed to meeting customer satisfaction and continual improvement of our management system.

CERT NO: TUV100 13 2858
ISO 9001:2015

“AN ELECTRICAL, MECHANICAL, INSTRUMENTATION COMPANY GROUP”

Ampmech Group of Companies and its Swiss joint venture are ISO 9001:2015 certified with businesses in the Oil & Gas, Petrochemical, Utilities, Food & Beverage and Construction industries in ASEAN countries. We specialise in explosion-proofing solutions in electrical, instrumentation, mechanical and process equipment. We also provide value-added engineering, supply chain distribution, maintenance, repair and training services. We are also an EV Charging Point Operator.
